

CURRICULUM VITAE**Andrei_Keidar MD**

Academic degree: professor 01/2016, Tel Aviv University

Position: Chair of Advanced MIS and Bariatric Surgery, Beilinson Hospital, Israel

home address Glitsenstein 6/7 Tel Aviv

Email*_ndrkdr@gmail.com_Mobile Phone*050-8946135_

A.Education

1990 – 1994 Sackler School of Medicine, Tel Aviv University, MD

1995 – 1996 Beilinson Hospital, rotating internship

1996 - 2003 Tel Aviv Sourasky Medical Center, Tel Aviv, Residency in General Surgery

2004 – 2005 University of Southern California, Los Angeles, California. Clinical Fellowship. Program of Advanced Minimally Invasive Surgery, Division of Bariatric and GI Surgery. Program Director: N. Katkhouda, Department Chair: T. DeMeester

2010 – 2012 European Obesity Academy, Karolinska University, Stockholm, Sweden

19-20/01/2012 Robotic surgery course - console surgeon Strassbourg, France

09-12/2013 HPB clinical fellowship Centre Hepatobiliare Paul Brousse, Villejuif, France

12/2013- 05/2014 Oncosurgical strategies, multidisciplinary course in HPB surgery, CHB Paul Brousse, European Universities Diploma, University Paris

C. ACADEMIC & PROFESSIONAL ACTIVITIES & ACHIEVEMENTS

C1. Academic Experience (starting from the last academic nomination -2012)

2014 Peer reviewer for the academic degree nominations, Sackler School of Medicine

2014 Member, committee for improvement of education, Sackler school of Medicine (Chair – prof Matot), Tel Aviv University

2014 Member, Advisory board, Sackler School of Medicine, Tel Aviv University

2015 Clinical president, Surgery and Emergency Medicine, Clinical Interest group, Sackler Faculty of Medicine, Tel Aviv University

2012-Currently: Course Chair for Surgeons:

Yearly international course of bariatric surgery, with Medtronics (Covidien)

2013 – currently, Member, ministry of health, Committee for guidelines and national database for bariatric surgery

C2. Professional meeting organization (last 5 years)

2011 Sessions Chair, August, 16th Yearly conference of International Federation of Surgery for Obesity. Hamburg.

2012 Member of the scientific committee of the Cleveland Clinic Florida Foregut Symposium

2012 Chair of the Scientific Committee, Annual conjoint congress of the Israeli Society of Endoscopic Surgery and Israeli Society of Colorectal Surgery(04/12/2012)

2012 Co-Organizer, Symposium of Minimally Invasive Esophagectomy, with live surgery, with participation of Prof Raphael Bueno, Vice Chair of the Dept of Thoracic Surgery, Brigham & Women Hospital, Boston. Beilinson Hospital, March 2012

2013 Member of the Scientific Committee, biennial congress of the Israeli Society of Surgery

2014 Member of the Israeli committee national bariatric database system, ministry of health

2014 Member of the hospital committee for OR equipment

2011 Head of bariatric surgery clinic, Beilinson hospital

2014 ,2015 Member of examination committee for General Surgery Boards, Israel

2016 Chairman of the Israeli national committee for guidelines for bariatric pediatric operation , ministry of health.

C3. active participation in scientific meetings (last 5 years)

2010 Paris France Does sleeve gastrectomy predispose to nutritional deficiencies on short term follow-up? 15th Yearly conference of International Federation of Surgery for Obesity

Speaker, session chair

2010 Lausanne, Switzerland IFSO European Chapter meeting, Speaker, session chair

2010 Prague, Czech Republic Bariatric operations for treatment of Diabetes Mellitus – the Risk 3rd World Congress on Controversies to Consensus in Diabetes, Obesity and Hypertension (CODHy), session chair

2010 Tel Aviv Israel the duodenal switch operation for the treatment of morbid obesity yearly meeting of Israeli association of endoscopic surgery, chair of the scientific committee, session chair

2010 NYC, USA Nutritional Deficiencies Amongst Sleeve Gastrectomy Patients 3rd annual International consensus summit on laparoscopic sleeve gastrectomy, speaker,

2011 Tel Aviv Israel Treatment of a diabetic patient after bariatric surgery DOT, Yearly national conference of Israeli Diabetes Association speaker

2011 Reggio Calabria, Italy

Development of bariatric surgery in Israel SICOB. National Italian congress of bariatric surgery speaker

2011 Hamburg, Germany laparoscopic roux-en-y gastro-jejunostomy for stenosis after sleeve gastrectomy with duodenal switch 16th Yearly conference of International Federation of Surgery for Obesity.

Speaker, sessions chair, organizing committee

2012, January 24 Israel Metabolic improvement after bariatric surgery
 Speaker, The II International Congress of the Bildirici Diabetes Center,
 Bar Ilan University, Tel Aviv
 speaker

2012, February 15, Israel Cardiometabolic risks congress Speaker,
 Cardiovascular risk improvement after bariatric surgery
 speaker

2012 February 19-21, USA Annual Surgery of the Foregut Symposium,
 Cleveland clinic Speaker, plenary session

28 – 30 November, 2012 Israel Yearly meeting of Israeli Association of
 Endoscopic Surgery Speaker, & Chair of scientific committee, chair of the
 organizing committee, speaker

December 06, 2012 USA 4th International Sleeve Summit, New York
 Speaker

2013 Israel Congress of nutrition Speaker

May 01-03, 2014 Belgium International Federation of Surgery for
 Obesity, Brussels, Belgium Organizing committee & Speaker

05-08 Nov 2014 Israel Joint meeting of Colorectal Endoscopic and Bariatric
 societies Scientific committee & speaker

26 Nov, 2014 Israel Annual meeting Haaguda haleumit Lesukeret Invited
 speaker

26-28 Aug, 2015 Vienna
 Austria Biannual meeting International Federation of Surgery for Obesity,
 Scientific committee & speaker & presentations

13-16 Sept, 2015 Brussels Belgium 17th congress of European Society for
 Organ Transplantation speaker

21-22 Oct, 2015 Tel Aviv, Israel WCAS 2015 Invited speaker

Professional society membership

2003 Israeli Federation of General Surgery

2003 Member, European Association of Endoscopic Surgeons

2004 Member, Society of American Gastrointestinal and Endoscopic
 Surgeons (SAGES).

2007 Member of the organizing committee of Israeli Bariatric Surgery
 Association, under Israeli Surgical Society

2007 Member, American Society of Metabolic and Bariatric Surgery (ASMBS)

2012- now Member of international committee of American Society of Metabolic
 and Bariatric Surgery ASMBS

2008-2012 Member, Israeli Diabetes Association

2008 Member of organizing committee of the Israeli Society of Endoscopic
 Surgery

2014 Member, International HPB Association (IHPBA)

Member of Editorial Board/ Reviewer (International Journals)

Member of the Editorial Board, "Obesity Surgery" Journal Impact Factor 3.8
 (surgery 14/204)

Member of the Editorial Board, "Surgery for obesity and related diseases"
 Journal, Impact Factor 4.9 (surgery 5/204)

External reviewer: Transplantation, Am J hematology, Diabetes metabolism research and review,

F. Grants

Years

	Investigator (Principal/,other)	Granted by Institute/Company	Total Amount
2008	PI Hadassah Hebrew University Medical Center, Jerusalem, Israel		20000 NIS
2010	PI Hadassah Hebrew University Medical Center, Jerusalem,		20000 NIS
2010	PI Johnson & Johnson Israel,		10.000\$
2011	CO PI / Weiss Ram Chief Scientist with the Ministry of Health. Jerusalem, Israel.		250.000 NIS
2014	Co-investigator		
	PI – Dr Cohen Michal Beilinson Hospital Intramural grant		7000\$
2014	Co-PI – at Assuta site		
	PI – Prof Oren Shibolet Assuta Tel Aviv		20.000\$
