- **1994:** MD Medical School University of Athens with grade “very good”
- **2002:** Hellenic National Board in surgery (CCST EQUIVALENT)
- **2002:** Diploma in Advanced Trauma Life Support ATLS
- **2003:** PhD in Pharmacology Medical School University of Athens with grade “excellent”
- **2004:** Msc Master of Science in Biostatistics Medical School and Department of Mathematics University of Athens, Department of Mathematics University of Ioannina with grade 7.90
- **2005:** Msc Master of Science in Medical Biology Medical School and Department of Biology University of Athens with grade 7.4
- **2005:** Diploma in Surgical Infections European Society of Surgical Infections
- **2005-2007** Postdoctoral Research Fellow in Laboratory of Pharmacology University of Athens with scholarship of the National Scholarship Foundation Research with subject “Role of salicylates in preconditioning in oxidative stress.
- **2008** Certificate of attendance School of Drug Design National Health Research Foundation
- **2009:** Msc Master of Science in Minimal Invasive Surgery, Laparoscopic Surgery and Robotic Surgery NKUA with grade excellent

- **2011** Certificate of attendance of Greek School of Mastology and Certificate of Success in the Exams of Greek School of Mastology (score 69/100)
- **2010** Diploma in Laparoscopic Surgery University of Strasbourg France
- **2011-2012** Academic Title to be obtained: Diplom Inter-Universitaire in Robotic Surgery Nancy Poincare Ecole de Chirurgie France

Training abroad

- **June-August /1992** Three month fellowship in Obstetrics-Gynaecology in Royal Free Hospital of London under Erasmus Scholarship
- **July 1991:** One month fellowship in Neurosurgery University Hospital of Odessa Ukrania under Scholarship of Hellenic Medical Student Association
- **June 2010** Postgraduate Course: Laparoscopic Surgery for gastrointestinal non trauma emergencies Geneva Switzerland
- **September 2010** Intensive Course of Laparoscopic Surgery EITS IRCAD Strasbourg France
- **April 2011** Advanced Course in Digestive Surgery EITS IRCAD Strasbourg France
- **2011-2012** Training in Robotic Surgery Nancy Poincare Ecole de Chirurgie France

Foreign Languages

- **English:** Certificate of Proficiency University of Cambridge-Registered teacher of English Language
- **French:** Sorbonne I University of Paris Sorbonne
- **German:** Mittelstufe Goethe Institute
- **Italian:** Diploma della lingua Italiana
- **Russian:** Certificate of the Russian Institute Pouscin Moscow

Scholarships, Distinctions

1. **2012** Travel Grant 20th EAES Congress Vienna Austria
2. **2012** Grant of the Hellenic Surgical Society for postgraduate training in Robotic Surgery
3. **2011** Travel Grant 19th EAES Congress Torino Italy
4. **2011** Prize for Best Oral Presentation “2nd Balkan Venous Forum and 3rd Panhellenic Congress of Phlebology Athens 2011
5. **2010** Travel Grant 18th EAES Congress Geneva Switzerland
6. **2010** Young Investigator Award European Congress of Lymphology Athens Greece
7. **2008** Scholarship of Medical School University of Athens for studies in Msc of Minimally Invasive Surgery

8. **2008** Included in “Who is Who” Greece
9. **2005-2007** Scholarship of the National Scholarship Foundation for Postdoctoral Research in Laboratory of Pharmacology Medical School University of Athens with subject “Role of salicylates in preconditioning in oxidative stress”
10. **2003-2004** Scholarship of Academy of Athens for postgraduate studies in Epidemiology-Public Health, after successful participation in exams
11. **1989-1994** Scholarship of the University of Athens after successful participation in exams
12. **1992** Erasmus Scholarship
13. **1991** Scholarship of the Hellenic Medical Student Association

Teaching experience

Pregraduate Education 2004-

Tutor of Anatomy, Surgery, Pharmacology, Pathology, Anaesthesiology and First Aid with full responsibility of the teaching program in the Departments of Obstetrics, Nursing, Medical Laboratories, Dental Technology, Optics, Preschool Education of the Faculty of Health and Caring Professions and in the Department of Medical Technology of the Faculty of Technological Applications. Fifteen teaching hours per week with full responsibility of the academic program, performance of exams and contribution to administrative duties of the Institution

Post-graduate Education

2008 Tutor of “Treatment of surgical pain” for the postgraduate students of the Master in Science “Pain Treatment” (organized by Faculty of Health and Caring Professions Technological Educational Institute of Athens and Medical School University of Ioannina)

2010 Tutor of “Mental practice” for the postgraduate students of the Master in Science “Minimally invasive surgery, robotic surgery and telesurgery” Medical School National and Kapodistrian University of Athens

2011 Tutor of “Mental practice” for the postgraduate students of the Master in Science “Minimally invasive surgery, robotic surgery and telesurgery” Medical School National and Kapodistrian University of Athens

Advising: 9 undergraduate students of the Faculty of Health and Caring Professions Technological Educational Institute of Athens Greece for writing their Bachelor Thesis

Fellow of Scientific Societies

1991-1994 HELLMSIC Hellenic Medical Student Association, Member of IFMSA

2000-present Hellenic Surgical Society

2000-present Hellenic Pharmacological Society

2001-present Hellenic Laparoendoscopic Society

2001-present EAES European Association for Endoscopic Surgery

2007-present International Society of Clinical Biostatisticians

2009- present Hellenic Society of Mastologia

2010- European Society of Lymphology

2011- **MIRA**

Funded Research

2005-2007 11,800 euros PI Postdoctoral Research Grant funded by the State Scholarship Foundation

2004 Postdoctoral researcher : Research program ”Study of the effect of pharmacologically active substances in *Saccharomyces cerevisiae* under stress” Laboratory of Pharmacology funded by Medical School of Athens under the scientific responsibility of Assistant Professor Ekaterini Tiligada

01/01/1992-31/05/1992 Researcher: Research Program “Control in availability of pharmaceuticals in Greece in combination with countries of European Union” with the scientific responsibility of Professor of Pharmacology Medical School University of Athens Dionysios Baronos (K.A70/3/569)

Currently I have not been awarded any funding

Submitted Research Programs as Principal Investigator

1. EAES Research Grant 2010 Outcome Failure
2. EAES Research Grant 2011 Outcome Failure
3. ERC Start Grants 2009 Outcome Failure
4. ERC Start Grants 2011 Outcome Failure
5. ERC Synergy Grants 2012 Outcome Failure
