

2019 EAES Executive Board Elections

Application for EAES Board Member - Treasurer

Letter of Intent

Becoming an EAES member and participating to the EAES events were important cornerstones of my endoscopic surgery carrier. The scientific and educational level of the EAES Congresses, workshops, courses as well of the Association Journal, Surgical Endoscopy, had constantly attracted me, and influenced my professional activity.

Moreover, I was honored to be more involved in the Association activity, in NOTES Workgroup, the Education and Training Committee, as President of 23rd EAES Congress in Bucharest, representing EAES in the UEG Education& Training Committee (2015-2018) and, for the last three years, as EAES Treasurer.

During these years I could experience the great goals and values of the Association, the important steps made according to the EAES Strategic Plan.

As EAES Treasurer and member of the Executive Board I have used my dedication to complete the responsibilities according to the White Paper and I have experience great satisfaction being able to contribute to the noble mission of our Association.

Beside this I have gained expertise by completing other responsibilities as Hospital Manager, as Executive Director of an active Training Center (Surgical Training Institute, Bucharest, Romania), as well in several Professional Associations and scientific events I was honored to organize.

I apply for the position of Treasurer to continue to be actively involved in the Association, as offering my energy, knowledge and expertise to EAES and endoscopic surgery, willing to contribute to the extension of EAES representation within European and non-European Countries and to improve patient care through education and training for surgeons, worldwide.

Thank you,

Sincerely yours,

Catalin Copaescu
