

Grant	EAES Fellowship programme
Fellow	V. Zejnullahu from Republic of Kosovo-Pristina
Host institution	Policlinicio San Mateo - Pavia
Director	Prof.Andrea Pietrabissa
Daily routines Surgical/clinical/research activities	Observing, assisting and discussing about diagnosis and patient in field of surgical disease
Experience	The days which I spent as a fellowship in this clinic was very helpful for my future career as general surgeon
Tasks	Learning minimal invasive surgery, Introduction with new equipment in the operation room Sharing the surgical experience from different point of view
Involvement	I was part of operation team with observing and assisting
Overall number & types of surgical procedures attended	Around 8 procedure during each week
Number of surgeries performed by the fellow	None
Number of surgeries attended as the first assistant	23 cases
Number of surgeries attended as the second/third assistant	18
Number of surgeries attended as observer only (not scrubbed)	150
Specify approximately the number & types of procedures attended	Bariatric surgery (sleeve gastrectomy), laparoscopic hemicolectomy Hiatal Hernia Inguinal Hernia Ventral Hernia, laparoscopic nephrectomy
Conclusion	I think this fellowship program, is very important surgeon and resident can have benefit. During this time, I have seen and participate in the different operation with laparoscopic approach, Da Vinci and without any doubt this experience will improve my skills as general surgeon.
