ABOUT EAES

Founded in 1990 the EAES has become a growing and dynamic organisation that strives to maintain a leading role in the progress of endoscopic surgery and advanced technology dependent interventions. Aside from organising annual top level international congresses and an annual symposium on innovations in surgery in different European countries, the EAES activities in research, technology, development, training and education and publication are effected through its various committees. The EAES serves over 4.800 members from Europe, Asia and all other continents around the globe.

GENERAL INFORMATION

The 34th international congress will take place in Athens, Greece, at the Megaron Athens International Conference Centre (MAICC). For the EAES annual congress the largest rooms and foyers of the congress center will be used for EAES functions.

Megaron is on a direct metro line to Eleftherios Venizelos International Airport, journey time 35 minutes. It is also very close to major hotels, museums, shops and fine dining, many of which are within walking distance.

The exhibition will be located on the ground level with easy access to the main session rooms, leaving ample space for interaction with attendees. We are anticipating an attendance of approximately 1,300 participants

EAES sponsorship policy

Sponsorship agreements are only valid and are binding upon the receipt of signed sponsor contracts. Sponsoring fees need to be received no later than 14 days upon issue of official invoice. EAES does not guarantee exclusive sponsorship of any activity or for any industry, product or service category unless agreed by all parties. If a sponsored activity is cancelled or benefits become unavailable, EAES will endeavour to provide an alternative activity or benefit to the value of that activity or benefit. Refunds to that value will only be given if EAES cannot provide the sponsor with an acceptable alternative activity or benefit. If the sponsor withdraws from any activity included in the specific contractual agreement, cancellation policies as outlined in the contract apply. Sponsor will not engage in specific individual arrangement with any EAES faculty and/or executive members and dignitaries without written consent by EAES executive congress organisers. Any presentation on the stand that is promoted to the general delegates is seen as a satellite symposium and falls under the category satellite symposia and must be included in the sponsorship agreement. The sponsor must submit to EAES for its approval any promotional literature, advertisements and advertising material that the sponsor proposes to use in connection with marketing its sponsorship of an activity, prior to its distribution. Sponsorship of any EAES activity does not carry with it the right for the sponsor to claim EAES specific endorsement of its products or services. The sponsor will not hold itself out as a sponsor of EAES or any other event, product, activity or publication of EAES other than the activities specified in the agreed sponsorship contract. The sponsor must not use the EAES's name or logo or any name, logo, brand or sub brand which EAES may use in the future in any promotional material or otherwise unless EAES has approved the proposed use in writing in advance and the use is for purposes related to the sponsorship.

Sponsor logo

The sponsor grants EAES the right to use its logo for marketing and promotional purposes in connection with activities set out in the agreed sponsorship contract and in its relationship with EAES Both parties undertake not to use each party's logo in any way that would denigrate from or disparage the other party or any of the other parties products or services. The sponsor must comply with all applicable laws and regulations insofar as they affect the sponsorship. EAES and the sponsor agree with each other that each of them will not disclose the confidential information to any other person, firm or corporation or make any use of the confidential information for any matter unrelated to this agreement without the prior consent of the other party hereto. This clause shall survive the termination of this agreement.

All reservations must be made in writing. An invoice will be issued for a deposit of 50% of the total fee and must be paid to hold the reservation. Total balance due 2 months prior to the start of the congress. If full payment is not received by this deadline, the organiser will be free to allocate the space reserved to another sponsor that opted for the same location. Applications from sponsors who have an outstanding balance from any previous year will not be processed without full payment of delinquent accounts. All invoices should be paid prior to arrival on-site at the exhibition. Stand build-up will not be allowed if a balance is outstanding.

Form of payment

All payments should be made in Euro by bank transfer to EAES SUPPORT B.V. Banking details as stated on the issued invoice. Company name and invoice number must accompany the payment. Bank charges are on the account of the sender.

Notification of cancellation or reduction of sponsor package(s) must be in writing and will be accepted until 4 months prior to the start of the congress. If this agreement is cancelled by the sponsor for any reason, or by the organiser because of sponsor's default or violation of this agreement, money paid by the sponsor shall be retained as follows: Refund of total fee less 25% administration fee if the application is cancelled prior to the cancellation deadline. NO refunds will be issued for cancellations after this deadline. Refunds will be made after the congress. In case of cancellation by the sponsor, the EAES reserves the right to offer the cancelled position/service to other parties.

In the event of cancellation of the congress by the organiser, the organiser (EAES) indemnifies itself against all possible (financial) claims that may arise as a result of this cancellation and is not liable for any damages incurred.

GENERAL INFORMATION

Rules and regulations

Definitions

In these regulations, the term "exhibition" in all cases refers to the exhibition being held in conjunction with the International EAES Congress hosted by the EAES. The term "sponsor" includes any person, firm, company, association, organisation and its employees, servants or agents to whom space has been allocated for the purpose of exhibiting at the exhibition based on the respective sponsor package. The term "organisers" means EAES Support B.V. on behalf of the organising committee of the International EAES Congress hosted by the EAES. The term "premises" refers to those portions of the congress venue as contracted by the organiser.

Preliminary dates and hours of opening

The exhibition will be at the congress venue and open during the two core congress days. The final opening hours will be published in the exhibitors manual.

Acknowledgement of the booking and an invoice as your receipt will be sent to you by return. Please note rates are excluding VAT and exclusive of any services or extras. The organisers regret that it is not possible for applicants to select the exact position of their stand(s) although it will help the organisers if applicants will indicate on their application forms their preferred location. Attention will be paid to the order in which forms have been received when allocating space. Notification of stand(s) allocated will be circulated to sponsors as soon as possible. The organisers reserve the right to refuse any application or prohibit any exhibit without assigning any reason for such refusal or prohibition. A sponsor may not, except by express written permission of the organisers, display or give credit directly or indirectly to any goods, products or services other than his own or his named principals. In the event of an application being refused by the organisers, previous deposits will be returned to the applicant in full.

Bankruptcy or liquidation

In the event of a sponsor becoming bankrupt or entering into liquidation (other than voluntary liquidation for the purpose of amalgamation or reconstruction) or having the receiver appointed, the contract with such a sponsor will terminate forthwith, the allotment of sponsor package(s) will be cancelled and all sums paid by the sponsor under contract shall be forfeited.

The organisers will use their best endeavours to adhere to the nominated date for the commencement of the sponsor's work but will accept no responsibility for any costs, claims or expenses arising from any variation to such date. Exhibits which do not reasonably satisfy the organisers shall be modified forthwith by the sponsor in such manner and within such time as the organisers may require and in default the organisers may remove such exhibits at the expense of the sponsor who shall forfeit all sums paid by way of deposit, rental or otherwise.
